The Schools of Zenith Multi Academy Trust

**THE
KING JOHN
SCHOOL**

A QUALITY EDUCATION FOR ALL

Mrs McGauley, LLE, is the Headteacher at The King John School. It is a popular, oversubscribed school where students' very high attendance and levels of achievement reflect their commitment and enjoyment of school life. The school is a large, mixed comprehensive with a well-established sixth form, and serves the ever-growing communities of Thundersley and Benfleet, as well as welcoming students from further afield.

To enable their students to be happy and successful learners, they strive to create a caring, supportive and aspirational learning community, with high expectations and opportunities for all. They believe in offering a broad and balanced curriculum to enable students to flourish as individuals, and to achieve future success in whatever they choose to become later in life. This includes a strong emphasis on sport and the Arts. Opportunities for extra-curricular activities are extensive for all to support in developing knowledge, skills and cultural capital beyond the classroom setting. These opportunities include enterprise, creative performing arts, and a wide variety of trips and visits. Added to this their sporting expertise which puts them at the top of the county and national championships in a whole range of sports you will see the school has a lot to offer. They strive to nurture and develop global citizens of the future by celebrating success and valuing aspiration. They are determined every student should maximise their potential.

The recruitment, retention, and training of fully-qualified staff play a key part in their drive to secure strong academic outcomes for all students, and to instil a life-long love of learning. They understand the vitally important role of partnerships between families and school, and value their relationships with all members of the community they serve.

They have a thriving sixth form, which has been significantly extended to provide a wealth of additional state-of-the-art facilities. Students achieve well in a wide range of subjects and over a three year trend, the results are in the top 15% of over 2000 schools with 54% of students achieving A*, A or B. Students' destinations are very strong, and they progress to Higher Education, including Cambridge and other Russell Group universities, apprenticeships and employment.

Laindon Park is a small school located in a rural unspoilt area. Their building retains a Victorian character with many historical features. The Headteacher of Laindon is Mrs Portoles, who ensures that they are a school where the child is at the heart of everything they do and leads the decisions they make.

As Ofsted said about them "pupils are happy and enjoy school". The school is always aiming to improve, not only the education that they provide to pupils but also the services and goods that they provide to the local community. Their SAT results are consistently good and put them in the top 4% of primary schools in the country.

Castle View School

Pursue Excellence | Be The Best

Mr Durkin is the Headteacher of Castle View School. The school is a place where students are put first in everything the school does. Their aims are to pursue excellence, to be the best they can be and they achieve this by working together with parents and the wider community to bring out the very best in their young people.

A good education inspires, opens doors and makes a difference to the lives of individuals, their families and the wider community. Therefore, the school takes their responsibilities as educators very seriously, doing all they can to help their students achieve anything and everything they set their minds to. The school also takes great pride in providing a happy and harmonious learning environment – one where every student is known as an individual.

As well as valuing academic success, the school strives for every child to become a well-rounded, caring and confident individual who plays a part in their community, and has the skills and mindset to contribute positively to our wider society. The headteacher would warmly welcome you to visit the school and discover what it is that makes Castle View School the right choice for you and your child.

The James Hornsby School

Together we excel

The James Hornsby School is a popular, oversubscribed school where students' very high attendance and attainment reflect their commitment to and enjoyment of school life.

Everyone is valued as an individual, and their students develop into confident, responsible and successful young people. Every member of the school is part of The James Hornsby family, and their motto is 'Together We Excel'. As such, they support one another and are passionate about achieving excellence and celebrating success.

As a parent of three young children himself the Headteacher, Mr Daniel Steel, leads the school through the eyes of a parent, with very high expectations and aspirations for his students. As a centre of learning, they aim to create outstanding, stimulating and life changing learning experiences.

"I began my teaching career at The King John School in July 2006, as a newly qualified English teacher. Right from the start, I felt that Dr Wilson was investing in my growth and development as both a teacher and a leader. The school recognised my specialisms, strengths and potential and within two years I was leading on Gifted & Talented across the school. From this initial area of responsibility, I moved into pastoral leadership under the mentorship of the senior leadership team. Through Zenith Multi-Academy Trust I was then able to gain my SLE accreditation and was promoted to Lead Practitioner with responsibility for initial teacher training. At this stage in my career, I was ready to step into a Leadership role. I was fortunate to gain a position as Assistant Headteacher at The James Hornsby School, and fortunate to be able to stay within the trust that has supported my progression from my first teaching role to a successful senior leader."

'I started working at James Hornsby in January 2012 and began working here as a learning facilitator; almost eight years on and I am now currently the head of mathematics. In this time I have had the opportunity to complete many roles within the school. Working in the behaviour support unit, as an achievement officer and then as a maths instructor, while I was completing my maths degree at university. The leaders within the school identified my skill set and provided me with the support and guidance to move through these positions.

In addition the school funded my training to become a teacher and has given me additional training to support my professional development. James Hornsby and Zenith have developed me from a support member of staff to now being a middle leader at James Hornsby. None of this would have been possible if it wasn't for all the senior leaders that have been at James Hornsby in the past eight years identifying my abilities, nurturing them throughout every step of my journey and more recently the new head teacher guiding me in my new role.'

Testimonial

Working at King John for the past six years has provided me with a wide range of fantastic opportunities and wonderful experiences. I was encouraged to attend a middle leaders training programme provided by the trust which gave me the knowledge and confidence to be successful in a promotion to Director of English and media. I was also lucky enough to attend the media department trip to Hollywood with a group of KS4 students and was encouraged to organise my own trip to The Globe theatre for KS3 students.

- Director of Learning, The King John School

Working at the King John School is a privilege. Given the school's reputation I am very proud to be a part of the organisation and enjoy coming to work each day. As a school, King John promotes progression with leaders giving staff their full trust and support in professional development. During my time at King John I have been able to grow and flourish by being exposed to work across the school, within our trust schools also as part of the Benfleet Teaching Schools Alliance. Working at the King John School has certainly progressed my career.

- CPC Director, The King John School

Having worked within Zenith for a number of years I have been afforded so many opportunities to develop. I came to the school as a Head of year and after discussing my drive to be on the leadership team I was given extra responsibilities to ensure the progression was effective and that I was ready to interview for a role. With this in mind I was asked to lead on several faculties and drove the Equality and Diversity within my school. This then led to me being asked to join a school within the MAT to take on the role of associate assistant headteacher. I have now secured a permanent position in this school and couldn't have done it without the opportunities given to me by the Trust.

- Assistant Headteacher, The James Hornsby School

I have worked for Zenith Multi Academy Trust for 2 years now, during that time I have been given the opportunity to progress both professionally within my role and personally through training and development. The trust offers a supportive working environment and recognises potential in its employees affording them the opportunity to progress across the Trust. In the last 2 years, I have progressed from a Personnel Officer to HR Manager and completed my CIPD qualification.
