Kind 🏰 Supportive 🏰 Aspirational 🏰 Inclusive 🏰 Proud

Dear Applicant,

Thank you for your interest in the role of Teacher of MFL - French at The King Edmund School.

KES is a large, mixed comprehensive school serving a geographically and socially diverse area in South-East Essex. Many of our students travel by bus to school from outlying areas; we also take a significant minority of students from the unitary authority of Southend.

We are a school with a strong community feel. We are guided by our values and we believe these help foster a culture where everyone is encouraged and supported to achieve their Personal Best. Our students and staff treat each other with kindness and mutual respect and we celebrate diversity whilst promoting a culture of inclusivity, where every student feels seen, heard, and valued for who they are. We believe that a diverse community enriches the learning experience for everyone and prepares our students for success in a global society.

We want every student to have high aspirations; we inspire our students to dream big and strive for excellence in all areas of their lives. We are relentless in our drive to support students to achieve well academically. We regularly have students gaining places at Oxford, Cambridge or other Russell Group universities. However, our deeper passion is that all students, regardless of their ability, reach their potential. Our students leave KES ready to embrace the next chapter of their young lives, whether that be studying a degree at university when they leave our Sixth Form, or starting an apprenticeship when they leave at the end of Year 11.

We are traditional in our approach to uniform, behaviour and work, but always seek to be very supportive of students and to engage parents in these aspects of school life. Working together with parents and carers, we provide students with the right guidance, support and challenge to succeed both personally and academically.

We are proud of our students' achievements, inside and outside of school, and we encourage them to be proud of themselves and each other.

Our recent Ofsted report rates the school as 'GOOD', and reflects the quality of the school, despite the challenges we have had to face over the past few years. We have been very successful in meeting the needs of students over that period of time, however, our outcomes were affected by school closures.

In early 2025, a new two storey school building will open, featuring a new school hall, dining room, activity studio, staff offices and technology and art rooms which will make us one of the most sustainable and eco-friendly schools in the country.

The successful candidate will have opportunities to develop further and will be able to expand their skill-set for the future. As well as offering excellent development opportunities, the school offers staff benefits which include free car parking, use of the onsite gymnasium and swimming pool, as well as staff recognition schemes.

It is hard to give an accurate picture of a school in words, but I hope you are getting the sense that KES is a friendly school where we work hard to ensure students feel that they belong so that they can both enjoy and achieve.

I look forward to receiving your application.

Yours sincerely,

Jonathan Osborn
Headteacher
