Dear Colleague.

Thank you for your interest in the position of Lead for technology (0.6) here at The Beaulieu Park School. As Essex's only 'all through' school, our school is truly unique. Following a £34 million build, we are delighted to have an environment in which to deliver a truly all through and outstanding education for our students. As our Lead for Technology, your role will be pivotal in the creation and development of a school that has the highest standards and aspirations for all students, regardless of their background or ability.

This appointment is critical to the future success of the school. The successful candidate will be a key player adding to our close-knit, founding team and work closely with all stakeholders to realise the outstanding potential that exists when a school is created from the ground up. Your experiences at The Beaulieu Park School will develop your leadership skills and give you an excellent experience to prepare you for a senior leadership role if that is your aim.

As the Lead for Technology at the school, you will be responsible for designing the curriculum to ensure future success for all our students.

The Principal and Governors are open-minded regarding the professional profile of potential applicants. As a technology specialist, your skill set will most likely reside in a particular technology discipline. We have the flexibility to adapt the curriculum in this area to suit your abilities and experiences.

Whilst not suitable for an NQT, this post may be suitable for someone that is relatively new to the profession, or indeed for a more experienced colleague. What is crucial is that the successful candidate has the skills, drive, energy and ambition to make Geography here at Beaulieu Park a real beacon of success.

To read more about the vision for our school please visit the school website. If you feel you have the skills and attributes for this position, I would welcome an application from you. I would also be pleased to arrange a telephone conversation or a meeting prior to your application to answer any questions or queries you may have.

The Beaulieu Park School is part of The Chelmsford Learning Partnership, a small multi-academy trust of seven schools, primary and secondary, each with their own unique identity. Our trust is a friendly and supportive one. As an employee within it, you will have the chance to learn from and share your expertise with other schools and professionals within the trust.

Yours faithfully,

James Donaldson

Principal.
