

Catering Department

The Catering Department provides breakfast, break and lunch services for students and staff. The team provide hot plated and hand held food to around 1600 students and 50 plus staff each day. It also caters for school meetings, special functions and events.

Food is prepared in the school kitchen and served from a range of sites across the school. There are also vending machines in various locations. The kitchen is under-going a full refurbishment during the summer holidays (2018) and will provide an efficient and pleasant working environment.

The school uses a cashless catering system.

The catering team consists of the Catering Manager and 11 other members of staff.
