A Catholic foundation and ethos, welcoming all

Executive Summary

Mrs Jeffrey with Pre-Prep pupils

One of the country's pre-eminent Catholic independent schools, New Hall blends a rich heritage and valued traditions with an innovative, forward-looking 'diamond model' approach to education for 1,500 boarding and day students aged 1 to 18.

This is an exceptional professional opportunity to enjoy a leading role, working closely with the Principal and other Heads of Division (HoDiv), in one of the largest and most successful independent schools nationally. The post will suit a candidate looking for a varied and interesting role, with plenty of opportunities to work strategically with staff and Governors and to gain experience leading change and school development.

New Hall operates a distinctive and innovative 'diamond model' structure (providing a mix of single-sex and co-educational teaching), together with a combination of provision for day students and a community of around 250 boarders. SATs, GCSE and A Level results are excellent.

The successful candidate will have a strong academic track record of teaching at Foundation Stage/Key Stage 1 and have the ability to inspire, engage and motivate pupils and staff. S/he will have demonstrable achievement in team leadership at senior/middle management level. This is not a residential post.

An Introduction to New Hall School

This painting is by Liam Merrigan (New Hall 2008-13), who achieved A in A Level Art and is studying Architecture at UCL*

New Hall School is a leading HMC boarding & day school for girls & boys aged 1-18. New Hall was awarded the TES 'Overall Independent School of the Year' for 2016-17. Founded in 1642, New Hall is one of the oldest Catholic schools and is the largest Catholic boarding & day school in the UK. New Hall is a strong and thriving community, set in a stunning location on the edge of the city of Chelmsford, just 20 minutes by train from London Stratford and 30 minutes from London Liverpool Street. There are also plans for Network Rail to open a new station at the foot of New Hall's Avenue; this is due to be completed by 2025.

At New Hall, we operate the highly successful 'diamond model' structure, i.e. co-education in the Nursery & Preparatory Divisions (ages 1-11), single-sex education in the Girls' Division & Boys' Division (11-16) and co-education in the Sixth Form (16-18). In this way, New Hall provides the best of both worlds: the benefits of a co-educational environment together with the advantages of girls and boys being taught separately throughout the 11-16 age range. The provision of single-sex education during the formative years enables students to grow in confidence, whilst enjoying an education that is specifically tailored and recognises the different ways in which girls and boys learn.

There is an exciting School Development Plan (SDP), which has the continued strengthening of the School's academic standing as its priority. New facilities successfully delivered in the SDP in recent years include: the New Hall Nursery; investment in digital technologies; outdoors 'Forest School' provision; the New Hall Farm; a second floodlit all-weather hockey pitch; a floodlit 3G pitch; PE changing rooms; 12 golf nets and launch monitor; recreational and hospitality facilities, including the Denford Bar & Lounge for Sixth Form students and staff; additional staff accommodation; newly refurbished staff rooms; and expansion of the Preparatory Divisions to 3-form entry.

Students aged 8-18 may board in one of four Boarding Houses. High academic expectations and achievements, together with outstanding pastoral care and exceptional drama, music and sports facilities and provision, make New Hall a wonderful place to be educated.

Mission & Ethos Statement

New Hall, a Catholic boarding and day school, provides **the best start in life**, enabling students to meet confidently the challenges of the wider world.

Here **academic excellence** is achieved in surroundings where relationships are based on **care, trust and respect**.

We **welcome** students from many traditions, building a Christian **community** that has at its heart **prayer** and **service** to others.

Governance, Leadership and Management Overview

Overview of the Head of Pre-Prep role and the School structure

The Heads of Division have a special role in the realisation of the Mission & Ethos Statement and in particular in the promotion of the values of trust, care and respect in the context of a Catholic school. They are expected to know every child in their Division and to create a culture where each child is known, valued and affirmed.

The five Divisional Heads at New Hall are expected to have knowledge and understanding of the teachings of the Catholic Church, as well as a sound, up-to-date knowledge and understanding of matters relating specifically to Catholic education, liturgy and Diocesan requirements for Catholic schools. It is essential that the Heads of Divisions are able to give effective leadership in spiritual and faith development since they share responsibility for nurturing and developing the distinctive Catholic life of the School.

New Hall School is a single School, led by the Principal. The Nursery, Pre-Prep Division, Preparatory Division, Girls' & Boys' Divisions and Sixth Form Division are all under management of the Principal of New Hall School and have the same Governing Body. The Head of Division should consult regularly with the Principal and keep her fully informed on relevant matters relating to the Division duties and responsibilities.

The Heads of Division are members of the School Leadership & Management Team (SLMT) and work with the team to ensure the success of New Hall School as a 1-18 'diamond model' School. The Heads of Division oversee day-to-day operations of the Divisions. These are not autonomous roles, leading separate schools.

The Heads of Division lead the educational provision for children within the Division and are responsible for maintaining and raising academic standards. They line manage staff within the relevant Division and may delegate some line management of these staff, as appropriate.

The Heads of Division report to the Principal. They are directly responsible to the Principal for: the effective leadership and management of the relevant Division; the quality of teaching; curriculum standards; the overall welfare of students and staff; communications with parents; and the effective management of budgets and resources.

The Heads of Division are accountable to the Governing Body for the implementation of the Health & Safety Policy within their Division and for discharging the Governors' overall duty as an employer. As members of SLMT, they share responsibility for whole School Health & Safety matters and attend meetings of the School's Health & Safety Committee.

Governors determine the attendance of staff members at their meetings and this is reviewed from time to time.
