

## **CHASE HIGH SCHOOL**

### **Lead Practitioner – Teaching & Learning**

Thank you for taking the time to find out more about the opportunity to become a Lead Practitioner Science at Chase High School.

We wish to appoint a lead practitioner to work alongside the subject leader to provide specialist subject expertise within the Science department.

#### **Job Description**

**Responsible to:** DHT / SLT / Head of Department (as appropriate)

**Salary:** Lead Practitioner scale – LP1-10

#### **The Role:**

- To provide subject expertise in Science and lead CPD to develop and support the teaching of Science in the school.
- To deliver outstanding teaching and learning of Science and therefore help students achieve improved academic results.
- Be a positive role-model and impact the school more widely.
- To lead the work done in the STEAM subjects to promote engagement with STEAM from primary transition through to career choices.

#### **Key Areas of Responsibility: Subject Enhancement in Science**

- To support the teachers in the Science department to ensure robust self-evaluation of teaching and learning and make a significant contribution to improving the quality of teaching and learning within the team;
- To lead the development of key skills within Science and support the training of staff
- Support and coach staff in developing and improving their teaching and to help move their lessons to consistently good or outstanding.
- To undertake other school wide initiatives relating to the promotion of Science including CPD and primary transition.

#### **Teaching and Learning**

- To teach engaging and effective lessons that motivate, inspire and improve pupil attainment and consistently model best practice;
- To plan, resource and deliver lessons and sequences of lessons to the highest standard that ensure real learning takes place and students make expected / better than expected progress;
- To provide a nurturing classroom and school environment that helps students to develop as learners;

## **CHASE HIGH SCHOOL**

- To help to maintain/establish discipline across the whole school and contribute to the effective working of the school;
- Research, analyse and disseminate materials and advise on practice, research and continuing professional development provision;
- To contribute significantly to the development of course outlines, syllabuses and schemes of work within Science
- To model best practice in ensuring that lessons are well differentiated including providing for the least able and for the most able and gifted students;
- To model best practice in the effective use of student performance data, and student and staff target-setting so that this impacts on classroom practice and contributes to raising achievement;
- Develop plans and processes for the classroom with measurable results and evaluate those results to make improvements in student achievement;
- Ensure that all students achieve their individual targets.
- To model best practice in maintaining regular and productive communication with students, parents and carers; to report on progress, sanctions and rewards and all other communications;
- To model best practice in regards to the use of support staff assigned to lessons and when required participate in related recruitment and selection activities;
- Enrich the curriculum with trips and visits to enhance the learning experience of all students;
- Participate in preparing students for external examinations;
- Implement and adhere to school policies to ensure the health and well-being of students.

### **School Culture**

- Support the school's values and ethos by contributing to the development and implementation of policies practices and procedures;
- Help create a strong school community, characterised by consistent, orderly behaviour and caring, respectful relationships;
- Help develop a school/department culture and ethos that is utterly committed to achievement;
- To be active in issues of student welfare and support;
- Support and work in collaboration with colleagues and other professional in and beyond the school, covering lessons and providing other support as required.

## **CHASE HIGH SCHOOL**

### **Other**

- Undertake, and when required, deliver or be part of the Performance Management system;
- Undertake other various responsibilities as directed by the Subject Lead / SLT / Headteacher.
