Headteacher: Mr Toby Bull

Bishop William Ward Primary School is situated in the village of Great Horkesley, a semi-rural location three miles from the town of Colchester. The majority of the pupils live within the village. The backgrounds and experiences of the children are varied and provide a healthy mixed school community. We have 190 children on roll working within seven classes. A new housing development adjacent to the school means that the school is growing.

Bishop William Ward is a Church of England Aided School. It has close links with the local church fellowship and the school has a firm Christian ethos. We aim to deliver a curriculum which is creative and skills based, within a caring and challenging learning environment where each individual child is valued.
