## *Advertisement : Nurture Mentor* **Permanent, Full Time, Term Time Position**

Our wonderful school community is seeking to appoint an excellent Nurture Mentor, on a permanent basis, to join our elite team of professional colleagues. The successful candidate will provide support for our children and families, and work in partnership with colleagues to further improve standards of learning and care.

We will offer:

- A very supportive and dedicated team of colleagues
- Dedicated therapeutic workspace
- A culture where the child's needs direct our ambition
- Continuing professional development and support
- High quality resources and physical environment

We are seeking an excellent Nurture Mentor with:

- The ability to effectively support vulnerable children and families
- Integrity, professionalism, energy and initiative
- A qualified therapist with highly effective skills in therapeutic working
- A commitment to actively support further school improvement
- The ability to bring the school vision to life every day
- A friendly and caring nature, focussed on supporting the whole child
- Wonderful relationships with children and adults within a purposeful setting.

*St. George's School is committed to safeguarding and promoting the welfare of children and expects all persons at the school to actively share this commitment. All appointments will be subject to a DBS clearance, medical checks and satisfactory references.*
