

April 2021

Dear Colleague,

Thank you very much for your interest in the post of Deputy Head of Science at The Boswells School. We are an extremely popular, oversubscribed and very successful 11-18 school who values our staff and the impact they make on our students.

This is an exciting opportunity for an inspiring Science teacher and aspiring leader to work with our Head of Science in a vibrant Faculty of specialist Science teachers. You will be leading on raising achievement at key stage 4, building on a track record of success over a number of years. There will be an opportunity to teach at all levels including at A-level in a school that delivers A-level Biology, Chemistry and Physics. You will be joining a school with enthusiastic and dedicated leaders at all levels and a real commitment to the professional development of staff.

The role that you are applying for is a crucial post in the development of the school and the educational provision we offer our students. Our students' progress and attainment are continually above local and national averages and mean we are the one of the highest performing non selective state schools in Essex.

This is a unique opportunity for a highly motivated colleague to develop their career and enclosed with this letter is a job description and person specification for the role. If you believe that you have the necessary skills and are seeking an opportunity to develop these skills, then I look forward to receiving your application.

Applications are welcome from colleagues who already have QTS status. The Science Faculty is extremely well resourced and you will be joining a very strong team with excellent resources at your disposal.

It is also important that you realise that we can offer you a huge amount of support in development of your career. We take pride in the fact that, as a school, a large number of our staff move on to promoted positions.

Thank you for your interest in The Boswells School. Please do not hesitate to contact me at the school if you require any further information. If you would like to visit the school or meet with me prior to submission of your application, please contact Mrs Maria Williams on mho@boswells-school.com. You can also contact Toni Gage-Pascoe (Head of Science) on tgp@boswells-school.com directly should you wish to discuss any aspect of the role.

Alternatively a huge amount of information about the school can be found at www.boswells-school.com

The deadline for applications is midday on Monday 10th May and interviews will take place later that week.

Yours faithfully

Stephen Mansell
Headteacher
