Our vision for our schools is a simple one. We believe that, as a collective of schools, we are stronger together and that by working together we provide an outstanding education for every child in our family of schools.

We also believe it is important for schools in our trust to keep their individual identity and all our schools operate with their own autonomous Headteachers, Leadership teams, staff and Local Governing Bodies; each with their own ethos that makes every school in our trust unique.

As a trust, we employ 550 staff and there are over 4,500 students in our schools.

We recognise that the greatest factor in securing an outstanding education for all the children in our schools is our staff and we are committed to the continued professional development and well-being of our staff. All staff in our trust:

- Have access to pay and conditions that are, at least, in line with nationally agreed pay and conditions
- Have access to a comprehensive programme of professional development that will not only develop their current role but prepare them for career development should they wish
- Have a commitment from the trust to look after the well-being of every member of staff and have working practices and policies that allow this to happen.
