## Information about the school

Southend High School for Boys (SHSB) is an '*Outstanding*' school (Ofsted 2015), rated as outstanding against every one of the inspection criteria. It is one of four selective schools within the Borough of Southend. The main school, years 7 to 11, is single sex boys whilst the large sixth form is coeducational. It is situated thirty miles from London on the Thames Estuary and is close to main road and rail links from London, and to Chelmsford and Cambridge. SHSB has '*an ethos of excellence in both academic achievement and a wide range of activities [that] permeates all aspects of the school*' (Ofsted 2015). At SHSB talent is nurtured, learning is valued, challenge is welcomed, participation is expected and achievement is prized. SHSB is not only a lively and stimulating institution, but also a welcoming community with an open and friendly approach.

The school priorities professional learning and research. We are regarded as national leaders on employee well-being. Staff retention and attendance rates are exceptional. Our philosophy is to share good practice, encourage creativity and nurture innovation so our pupils benefit from a stimulating learning experience and our staff benefit from collaboration and professional development with like-minded enthusiastic individuals. The school is strongly committed to supporting staff in their educational research. A significant number of our staff have achieved higher degrees during their time with us. We regularly support other colleagues in other schools and have a wide ranging professional development programme.

We were the first secondary school nationally to be accredited for the Challenge Award on three successive occasions. Assessors in the report commented: '*Southend High School lives up to its aim of 'Nurturing and Supporting Young Talents' through offering exciting and stretching opportunities for learning well beyond those offered in many other schools. Pupils make full use of these opportunities, share responsibility with staff for setting and achieving challenging targets for themselves and are proud of their achievements. Challenge is firmly embedded in all aspects of school life*'. We are also pleased to be in receipt of the Sportsmark Award which recognises the excellent provision and opportunities given to our sportsmen. We are proud of the fact that our most able athletes have competed in international competitions, have represented England at World Schools Championships in cross country and athletics and have won over 20 national titles in the last 10 years. Likewise our staff is also committed to healthy living; having designed well-being programmes for staff and organised social events such as cooking classes and relaxation sessions. Members of staff are encouraged to use the sports facilities and as such a number use the gym.

The school offers an extensive range of extra-curricular activities and has an excellent reputation locally for its music, science and drama. All pupils and staff are encouraged to get involved and to follow their interests and share their passions with others; hence, we have activities ranging from the debating society to Warhammer! In the science department there is a thriving Science Society which has well over a hundred members.

The pupils on roll benefit from modern and specialist facilities. In science we have extended a number of laboratories to cater for the increased numbers of students who have opted to follow science courses in the sixth form. Further investment has been made in ICT resources with an upgrade of computer suites as well as all classrooms having interactive whiteboards and/or projectors. A dedicated Maths building was completed in 2011 and 2018 saw the completion of our new Hitchcock building which contains a state-of-the-art library, additional teaching space and pastoral offices. The main school's admission number each year is 180, split into six forms of 30. The present teaching staffing complement is 67 full-time equivalent, with 49 support staff (full and part-time), who support teaching and learning in various capacities. Currently the school operates with 50 one hour periods per fortnight, the school day running from 8.30am -3.30pm.

## OUR LOCATION

Southend High School for Boys is situated in the heart of Southend On Sea, a resort town on the north side of the Thames Estuary in Essex, southeast England, 40 miles east of central London.

Southend is home to the longest leisure pier in the world (at 1.34 miles) and it is serviced by a small train and has a museum at its shore end. The Cliff Lift, a century-old funicular, clings to the hillside and offers coastal views.

Southend originally consisted of a few fishermen's huts and farms at the southern end of the village of Prittlewell. In the 1790s the first building, around what was to become the high street, were completed. In the 19<sup>th</sup> century Southend's status of a seaside resort grew after a visit from Princess Caroline of Brunswick and Southend Pier was constructed.
