Fax: 01702 606257

Website: www.shsb.org.uk

Headteacher: Robin M Bevan MA MEd PhD FRSA FCCT

Science Technician

Salary: Scale 5 LGPS

(Full time equivalent £19.945 gross p.a. starting salary
which will be pro-rata to hours worked)

**4 days per week – Monday – Thursday term time only
8am – 2.30pm daily**

To start September 2020 (or as soon as possible)

We are a hugely oversubscribed school, complimented by our recent outstanding OFSTED inspection on many aspects including our forward vision and academic excellence: *"attitudes to learning and relationships between staff and students are exemplary"*.

Due to retirement, we are looking to appoint a highly capable and self-motivated Science Technician, starting as soon as possible.

The successful applicant will ideally have had some previous experience, although not necessarily within an education setting although this would be an advantage, and be able to demonstrate their knowledge within the application.

The role requires preparation of materials and equipment for secondary level science classes and applicants should be able to demonstrate familiarity with the CLEAPSS systems and COSHH regulations.

A full job description and person specification can be downloaded from our website, together with an application form.

The successful applicant will be subject to an enhanced DBS check.

CLOSING DATE: Midday Friday 28th August 2020 (although we reserve the right to close early should there be a large number of applicants).
