## MAIN (CORE) DUTIES

### Classroom

- Have a good, up-to-date working knowledge and understanding of a range of teaching, learning and behaviour management strategies and to know how to use and adapt them, including how to personalise learning to provide opportunities for all learners to achieve their potential.
- Know the assessment requirements and arrangements for the subject area taught, including those relating to public examinations.
- Know the local arrangements concerning the safeguarding of children and young people.
- Plan for progression across the age and ability range taught, designing effective learning sequences within lessons and across series of lessons, informed by secure subject knowledge.
- To be an excellent classroom practitioner.
- Act upon and advice and feedback and be open to coaching and mentoring.

### Subject co-ordination

- Work as a team member and identify opportunities for working with colleagues, and sharing the development of effective practice.
- Have a secure knowledge and understanding of a subject area and related pedagogy including the contribution that the subject can make to cross-curricular learning, and recent relevant developments.
- Report standards in the subject area to senior leadership team and governors.
- Plan for improvements based on monitoring and evaluation outcomes.
- Maintain an up-to-date subject leader file that includes an annual improvement plan.
