Dear Colleague.

Thank you for your interest in the position of Part-time English teacher 0.4/0.6 at The Beaulieu Park School. As Essex's only 'all through' school, our school is truly unique. Following a £34 million build, we are delighted to have an environment in which to deliver a truly all through and outstanding education for our students. As an English teacher here, your role will be pivotal in the creation and development of a school that has the highest standards and aspirations for all students, regardless of their background or ability.

This appointment is critical to the future success of the school. The successful candidate will be a key player adding to our close-knit, founding team and work closely with all stakeholders to realise the outstanding potential that exists when a school is created from the ground up. Your experiences at The Beaulieu Park School will develop your leadership skills and give you an excellent experience to prepare you for a middle or senior leadership role if that is your aim.

As an English teacher at the school, you will join the current Head of English and one other new member of the department. You and they will be the first new members of this team.

This post would be suitable for an NQT. It would also be suitable for a more experienced colleague that had the drive and passion for a uniquely new venture.

Our expectations of behaviour, attitude to learning and manners here are extremely high. We can promise the successful candidate an environment in which they will be free to teach and develop as a practitioner.

To read more about the vision for our school please visit the school website. If you feel you have the skills and attributes for this position, I would welcome an application from you. I would also be pleased to arrange a telephone conversation or a meeting prior to your application to answer any questions or queries you may have.

The Beaulieu Park School is part of The Chelmsford Learning Partnership, a small multi-academy trust of seven schools, primary and secondary, each with their own unique identity. Our trust is a friendly and supportive one. As an employee within it, you will have the chance to learn from and share your expertise with other schools and professionals within the trust.

Yours faithfully,

James Donaldson

Principal.
