Testimonials

I started my school finance career in James Hornsby as Finance Officer. My line manager and the school team were immensely supportive from the first day. I received regular coaching and development from my line manager, not to mention various external training opportunities. After spending 2.5 years at James Hornsby, the opportunity arose to apply for the Business manager role at Castle View. The recruitment process was straightforward, efficient and provided positive challenge within the application requirements. I was fully supported in my application by both my existing managers, Castle View and Zenith Multi Academy Trust. The interview and selection processes were fantastic in their level of challenge and support and felt as though they were focused on bringing the best out of candidates. My outcome was successful and the move to Castle View has continued to be supportive, with a number of training and CPD opportunities already provided by both the school and Zenith.

- Business Manager, Castle View School

Since joining as an instructor in 2018, I have been continuously supported by Castle View, and the wider Zenith Multi Academy Trust. This has included fortnightly mentor meetings and frequent observations, feedback and support with my pedagogy; a second school placement at another school within the Trust; and regular CPD opportunities. This all resulted in me achieving my Qualified Teacher Status last December via the Straight To Teach route (which was also funded by the school). Despite only recently qualifying, I am already in discussions with Castle View about my progression and moving on to the next stepping stone of my career and development.

- Teacher of Maths, Castle View School

In the short time I have worked at Castle View School, I have been surrounded by colleagues, at all levels, who have been so supportive and encouraging and have helped me settle into the school culture, quickly and positively. At Castle View School, the Senior Leadership team are extremely supportive of staff progression, allowing staff to show they are trusted. I have personally been able to demonstrate my strengths in other areas outside of the classroom; I am so grateful for being able to be a part of the School's Improvement Plan, as Excellence Strategy Coordinator with a focus on parental engagement on social media platforms and lead on The School's Inspire Magazine, for Excellence. I have also been given the fantastic opportunity to mentor another colleague in their ECT programme. I have really flourished, since being here and have welcomed the new challenges and exposure.

I feel that staff are valued.

- Teacher of English and Media, Castle View School

Castle View have been very supportive of me and my teaching career. They funded my degree which I completed whilst working firstly as an LSA, then as a cover supervisor and finally as an unqualified music teacher here. They then went on to finance and support my Assessment only route into teaching, enabling me to achieve QTS last year. Castle View have a genuine interest in encouraging and championing their staff which is evident in the way they have 'backed' me.
