Duties and responsibilities

Qualities and knowledge:

- Sustain wide, current knowledge and understanding of education and school systems locally, nationally and globally, and pursue CPD.
- Work with political and financial astuteness, within a clear set of principles centred on the trust's vision, ably translating local and national policy into the school's context.
- Communicate the trust's vision in a compelling way and drive the strategic leadership, empowering all pupils and staff to excel.

Pupils and staff:

- Demand ambitious standards for all pupils, overcoming disadvantage and advancing equality, instilling a strong sense of accountability in staff for the impact of their work on pupils' outcomes.
- Secure excellent teaching through an analytical understanding of how pupils learn and of the core features of successful classroom practice and curriculum design, leading to rich curriculum opportunities and pupils' wellbeing.
- Establish an educational culture of 'open classrooms' as a basis for sharing good practice within and between schools, drawing on and conducting relevant research and robust data analysis.
- Create an ethos within which all staff are motivated and supported to develop their own skills and subject knowledge, and to support each other.
- Identify emerging talents, coaching current and aspiring leaders in a climate where excellence is the standard, leading to clear succession planning.
- Hold all staff to account for their professional conduct and practice.

Systems and process:

- Ensure that the school's systems, organisation and processes are well considered, efficient and fit for purpose, upholding the principles of transparency, integrity and probity.
- Provide a safe, calm and well-ordered environment for all pupils and staff, focussed on safeguarding pupils and developing exemplary behaviour in school and in the wider society.
- Establish rigorous, fair and transparent systems and measures for managing the performance of all staff, addressing any underperformance, supporting staff to improve and valuing excellent practice.
- Welcome strong governance and actively support the governors to understand their role and deliver their functions effectively – in particular its functions to set school strategy and hold the headteacher to account for pupil, staff and financial performance.
- Exercise strategic, curriculum-led financial planning to ensure the equitable deployment of budgets and resources, in the best interests of pupils' achievements and the school's sustainability.
- Distribute leadership throughout the organisation, forging teams of colleagues who have distinct roles and responsibilities and hold each other to account for their decision making.

The self-improving school system:

- Create an outward-facing school which works with other schools, especially those within Bridge Academy Trust, and organisations – in a climate of mutual challenge – to champion best practice and secure excellent achievements for all pupils.
 - Develop effective relationships with fellow professionals and colleagues in other public services to improve academic and social outcomes for all pupils.
 - Challenge educational orthodoxies in the best interests of achieving excellence, harnessing the findings of well-evidenced research to frame a self-regulating and self-improving the school.
 - Shape the current and future quality of the teaching profession through high-quality training and sustained professional development for all staff.
 - Model entrepreneurial and innovative approaches to school improvement, leadership and governance, and be confident of the vital contribution of internal and external accountability.
 - Inspire and influence others – within and beyond schools – to believe in the fundamental importance of education in young people's lives and to promote the value of education.
