

Job description-

Specific Grow responsibilities

1. Help children to be more confident and independent learners.
2. Promote the child's personal and social growth.
3. Support successful integration with host school and reintegration with home school.
4. To liaise with parents and other school professionals.

Competencies and skills needed

You will need to demonstrate the ability:

- To develop, nurture and model positive adult and peer relationships in line with the school's and Grow's values and expectations
- To build on the strengths and resources of the child
- To work with the child following the principle that "the problem is the problem" not the child.
- To be able to work in partnership with Grow manager, school staff, parents and other educational professionals.
- To be able to work flexibly and creatively.
- To contribute to assessment, planning, monitoring and evaluations.
