We recognise the value that diversity brings and so we want to recruit, develop, retain and motivate an increasingly diverse workforce. We also want to attract people who will be good citizens, who will contribute to the life of the University and whose behaviour will have a positive impact on those around them.

Our [Strategy](#) sets out how we will do this through the delivery of a fair and supportive working environment for all.

The University of Essex is proud to be part of the Disability Confident scheme and is committed to supporting diversity and equality, representative of our inclusive community. As part of our commitment to this scheme any candidate who has a disability and meets all the essential criteria for the role will be offered an interview. We also work in partnership with national disability organisation [AccessAble](#) who provide detailed online access guides to many of our campus buildings and facilities which you may find useful.

****Please note that this vacancy is being advertised on a rolling basis. Applications will be reviewed weekly, and interviews scheduled on a regular basis whilst the role continues to be advertised. Potential applicants should be aware that the University reserves the right to withdraw this role at short notice if the position is filled early****
