TEACHER OF MATHS

Salary: Main Pay Scale

De La Salle School

Dear Candidate

Welcome to De La Salle School.

De La Salle School, Basildon, was founded by the De La Salle Brothers in 1972. Known then as St Anselm's RC Comprehensive, the school served families of Basildon until 1996 when it changed its name to De La Salle School.

St Jean-Baptiste De La Salle founded his first schools in the seventeenth century and his core Catholic principles run through all the work we do today.

These Lasallian values make De La Salle School the perfect choice for all families in Basildon and the wider community.

We have the highest expectation of every student entrusted to us. Preparing individuals for the many challenges the modern world has in store for them is central to the work we do. While developing their academic excellence, we support and nurture every individual to become the person God intended them to be.

We are enormously proud of the achievements of our students. When they reach the end of their time with us, we aim for each young person to leave the school confident, happy and fully prepared for the future, whether that is further education, employment or training, we fully support our students at every milestone.

As a former student of De La Salle School, I am immensely proud of all that the school stands for. I know how impressed you will be by our students, who are equally proud to be a part of this community. Their enjoyment and passion for learning is infectious and makes for a learning environment that gives the potential for each and every individual to succeed.

If you feel you want to be part of our journey and have a genuine desire to make a difference to children's outcomes, then please apply for this post. We firmly believe that visiting a school is key to deciding whether you should apply for this role, so please wherever possible contact the school to make an appointment to look around.

Yours sincerely

Paul Norris
