Dear Applicant

Thank you for your interest in Grove House School. I would like to take this opportunity to tell you a little more about us. We are a growing special school that opened in September 2015. We currently have just over 100 pupils on roll across years 4-12. Our school will ultimately cover the 8-19 age range. All of our pupils have an EHCP and have come to us from mainstream settings and alternative provision. Our pupils' priority needs will be around speech, language and communication although many will have associated difficulties such as attention management issues, moderate learning difficulties and social and emotional needs.

Currently we have 8 form groups - two KS2, four KS3 and two KS4. Classes are ideally in groups of 12 pupils. Each class is supported with at least 2 Learning Support Assistants who stay with the class group across all lessons. Our teaching and therapy staff work together in the classroom throughout the school day and have allocated joint planning time.

We are a very friendly, supportive and welcoming staff. Our staff team is growing rapidly as our pupil numbers increase. Our curriculum, whilst based on the national curriculum, is continually reviewed and ever changing as we look to meet the wide variety of individual pupil needs within each class group. Whilst this may have its challenges it also is extremely rewarding in that our staff have the flexibility to be creative and innovative in the development and delivery of the curriculum.

This is such an exciting time for us – every aspect of our new school is evolving at a rapid rate. The chance to be a part of this continued growth phase in our provision is a rare opportunity. I do urge you to come and visit, look around our site and meet the pupils and our staff team.

We have a highly skilled and dedicated board of governors, some of whom were the proposers of the free school. They have supported us way beyond expectations and continue to be a valuable asset to the school.

I very much hope the post is of interest to you – please do contact us for further discussion and to arrange a visit.

Kind regards

*Lisa Christodoulides*

# Our School Site

Our school site has undergone huge change. We started in September 2015 in a refurbished small block with 4 classrooms for our opening year.

We have a main large building that has specialist therapy rooms, a sensory room, specialist art, music and ICT rooms, a large hall with stage and a gymnasium, in addition to a number of non-specialist classrooms.

We have a new build on the site which we are currently using as our growing primary base.

In Spring 2018 we refurbished our Technology block to provide dedicated facilities for Science, Design and Technology and Food Technology.
