Dear Applicant

Thank you for expressing an interest in joining The Basildon Academies.

Student welfare, academic progress and achievement is at the heart of everything we do at our Academy.

Our Academy vision is to drive:

- Social Mobility - equality of opportunity for our young people to succeed
- Moral Purpose - resilient positive decision makers
- Cultural Capital - equity of opportunity and life experiences
- Spiritual Awareness - reflective citizens and active curious learners

The Academy offers students the unique opportunity to begin their learning journey at our Key Stage 3 Lower Academy, and complete it at our Key Stage 4 & 5 Upper Academy.

Our Key Stage specialist sites enable us to offer our students age appropriate curriculum choices, support, challenge and enrichment.

We recognise the power and impact that quality enrichment can have on young lives and minds. Our enrichment programme is an essential and valuable part of our school day. All students engage in an enrichment of their choice each day as part of their curriculum.

The age appropriate enrichment curriculum supports a 'Passion for Learning' in Key Stage 3, a 'Passion for Purpose' in Key Stage 4 and a 'Passion for Life' in Key Stage 5. Our enrichment curriculum builds student resilience, self-esteem, sense of belonging and love of learning. It provides equity of opportunity, stretch & challenge, employability skills and broad experiences supporting our student cultural capital and social mobility.

Our two academy model offers our Year 7 intake a guaranteed future place in our growing and thriving Sixth Form.

The Basildon Academies Sixth Form offers personalised curriculum pathways, tailored to individual needs and aspirations. Strong support networks alongside quality teaching ensure academic success and preparation for university or the workplace.

Yours sincerely

Mr G. Smith B.Ed (Hons), NPQH
Executive Headteacher

The Basildon Academies are two state of the art Academies based in Essex, just 35 minutes from London and approximately 1 mile apart. We are unique in the way the academies are set up with The Lower Academy specialising in the teaching of our students aged 11-14 whilst the Upper Academy specialises in our 14-19 year old students.

The Lower Academy is focussed upon developing the whole child; our curriculum has been developed to enable our students to develop their knowledge, understanding and skills so that they will become lifelong learners. This includes opportunities for linguistic, mathematical, scientific, technical, human, social, physical and artistic learning so that students make progress in a wide range of subjects. The Lower Academy offers a supportive and nurturing environment to allow our students to find their adult feet as they become fully prepared for their transition to the Upper Academy.

The Upper Academy is focussed upon creating the best environment and conditions for all students to fully achieve their true potential, make at least expected progress and attain the very best grades they can in their final exams. The range of courses on offer allows students to become specialised in their favourite target areas and at the same time retain the very strong focus upon gaining good qualifications in maths, English and science at GCSE level.

Our strong Sixth Form is a major part of the Upper Academy with the structure modelling itself on developing independent learning skills like those seen in universities which allows students to continue their studies in their specialist subject areas. Students are very much encouraged to become mature adults being engaged in many aspects of the life of the academy which further develops those much needed skills to go on into university or the world of work.
