Teacher of Art and Photography
Fulltime Permanent
Required for Easter or September 2021

We have an exciting opportunity for an outstanding practitioner to join our enthusiastic & dynamic Art team & to inspire our students. This post would suit an NQT or experienced Art specialist. Working collaboratively as part of the established Art & Photography team, you will be part of the delivery & development of Art & Photography across KS3, 4 & 5. The successful candidate will be visionary, innovative, collaborative & driven to ensure the success of all students.

Debden Park High School is a heavily oversubscribed Outstanding Academy that OFSTED judged to be Outstanding in January 2017. We constantly achieve outstanding outcomes for our students & we are immensely proud of their successes. Our new Sixth Form opened in September 2015 & moved into its own building in September 2016. The Sixth Form currently has 180 students in it & is growing year on year.

Art & Photography are extremely popular choices at Debden, & students are highly successful at both GCSE & A Level. Last year, 96% of GCSE Art students achieved 9-4, with 36% of students achieving 9 to 7. At A Level, we had 100% pass rate with 50% of Art students achieving A*-B. The Art team deliver an exceptional curriculum experience for students through inventive, well planned & resourced schemes that are constantly reflected upon. We are a team & a school that values collaboration between professionals, & through our weekly staff training sessions work creatively together using the most recent evidence-led pedagogy to reflect on & plan an outstanding experience for our students. You can see some results of these sessions on our social media feeds [@debdenteach](#) & [@TKATLEARNING](#).

As a National Teaching School, we lead a family of schools as part of the Kemnal Academies Trust, providing exceptional career progression & bespoke CPD experiences for staff, which lead to our middle & senior leadership teams being composed of many teachers who began their career with us. We lead the Essex hub of the TKAT SCITT.
