SOUTHCHURCH
HIGH SCHOOL

*A community of opportunity, learning and
aspiration*

Welcome from the Headteacher

Dear Applicant

Thank you for taking an interest in this post at Southchurch High School. I hope the information enclosed in this pack gives you a good sense of what makes our school a special place to work and provides the information you need about the post.

Southchurch High School is an amazing place to learn and work and our philosophy of being 'A community of opportunity, learning and aspiration' sits at the centre of everything we do. Our belief is that people achieve the best outcomes when they enjoy what they're doing, feel safe and are rewarded for their commitment and success. We therefore support and invest in our students and staff, whilst maintaining high expectations. Our values are clear and as an inclusive learning community we are determined to realise our vision and achieve our goals. We continually reflect on our practise and evaluate our performance; taking collective responsibility for learning together. This year saw our best GCSE results ever and we pride ourselves on the fact that we are closing the attainment gap between disadvantaged students and their more affluent peers.

The school sits in five acres of land and has first class facilities for both students and staff. We recently moved into our new purpose built block, and we have just seen the completion of a brand new four court sports hall. These developments have helped to give the school a very positive future.

The school is located in a quiet suburb of Southend-on-Sea and benefits from excellent transport links. We are within easy reach of Chelmsford, Brentwood, Colchester and London.

Our students, of course, are at the heart of what we do and it is essential, whatever position you are applying for, that you relate well to children and young people. The students at Southchurch High School are a pleasure to work with; they are keen to learn, talented and well-behaved. Our school is oversubscribed and has a waiting list.

It is important to read the information provided carefully. We want you to be happy in the role you are applying for and committed to performing the job to the best of your ability.

I very much hope you are encouraged to apply for the position and look forward to meeting you soon and please do not hesitate to contact us if you need any further information.

Yours faithfully

Stuart Reynolds
Headteacher

Partnership Learning

About Partnership Learning

Roger Leighton
CEO, Partnership Learning

At Partnership Learning, our ethos aims to maximise social mobility, giving our students the same opportunities as their most favoured peers – outstanding teaching, schools organised around the ability profile of their students and wide ranging enrichment activities to develop confidence and resilience. We believe learning is most effective when students are taught with others of similar ability, so we group pupils by prior attainment in three discreet pathways enabling a differentiated curriculum within which teachers adjust their pace and style to ensure all students make rapid progress towards challenging academic targets.

We understand the key role of a sponsor in taking responsibility for driving improvement and challenging under-performance, whilst supporting school leaders through effective use of the Trust's overall financial and human resources.

We have particular expertise in providing outstanding outcomes within disadvantaged communities, although we believe our approach works across the socio-economic spectrum.

We relish Academy freedoms, particularly the opportunity to utilise flexible operating hours to provide extensive extra-curricular activities and Summer schools. We seek, nevertheless, to work within local families of schools to achieve positive outcomes for all young people.

Information about Southchurch High School

Southchurch High School is a popular 11-16 year mixed comprehensive academy having converted in 2018. Our fundamental beliefs about education are summarised in our mission statement of '**A community of opportunity, learning and aspiration**'. The school already houses a flourishing community of over 675 pupils, and is expected to continue growing strongly over the next few years. We have waiting lists for entry into years 7 and 8 and fully expect to be in the same position with our next intake in September 2020.

The moral, spiritual, social and cultural development of all learners permeates throughout the curriculum. We aim to maintain a just and caring school community in which all learners, teachers and members of the associate staff are given personal recognition and a sense of security, respect and dignity. We believe that it is only in such an environment that learners can recognise and appreciate achievement in its various forms including high academic standards and good examination results.

Great emphasis is placed upon the need for learners to develop self-discipline and respect for others. The wearing of school uniform is insisted upon. High levels of attendance and punctuality are viewed as vitally important. Good manners and courtesy to others are expected from everybody. Good order and the importance of personal relationships are insisted upon throughout the school to allow genuine learning and academic and personal development to take place.

The school depends on the partnership with the parents. The way we conduct our relationships with parents and carers recognises the role we play in ensuring the best for the students. Communication through reports, meetings and social media sources ensures close links.

In general the school aims to create an ethos that supports a sense of co-operation, pride, identity and purpose in all students, members of staff and parents. The raising of standards is a key theme throughout Southchurch High School. Our students deserve the best.

At Southchurch High School, every effort is made to stress the positive and celebrate achievement to boost the self-esteem, confidence and dignity of the students. An array of out of class activities give learners the opportunity for self-expression and the enjoyment and satisfaction which comes from achievement. Motivation is enhanced through the relationships that are strengthened through engaging with staff in different situations.

The diverse nature of the school makes it a vibrant and exciting place to both work and learn. The varied cultures, languages and experiences which makes up the school community is, however, unified by a shared vision and shared values.

Most importantly, Southchurch fosters an atmosphere of tolerance and mutual respect, in which each individual is valued. Furthermore, each member of the school community is encouraged to inspire and grow, challenging themselves to consistently develop their skills and talents, explore the unknown and aim for excellence.

Will you join us in reaching our aspirations?

If you share our values, have an entrepreneurial spirit, and are excited by the prospect of making a real contribution to a new and growing school, we want to hear from you.
