

Job Description

Job Title:	Lecturer in Maths
Responsible To:	Head of Maths and English
Line Management of other staff:	No
Location:	Colchester
Salary:	£29,507 - £32,238 per annum
Date of last review:	March 2024

Purpose Statement:

To teach – primarily GCSE - within both practical and theoretical environments. Develop support and behaviour plans for students with additional needs. Work with additional tuition groups.

Main Duties & Responsibilities:

1	To contribute to the preparation of comprehensive schemes of work/learning materials.
2	To plan and conduct effective teaching appropriate to the needs of individual students, courses and the curriculum, keeping attendance records and maintaining the correct behaviours for learning, to support students in achieving their planned qualification, improving their literacy and numeracy and attaining their planned destinations.
3	To undertake a teaching role and participate in continuous professional development of teaching and learning.
4	To set, mark and record relevant coursework and assessments.
5	To track and monitor learner progress throughout the programme, provide feedback to managers, learners, parents, carers and employers.
6	To counsel and guide students in respect of their academic progress and, as appropriate, their pastoral concerns and needs and making referrals to specialist services as appropriate; contributing to student reports and references as required.
7	To contribute to the work of subject and programme teams (with particular focus on developing strategies and techniques to support learners with additional needs) and in some cases to take leadership of a course with few students, committees and boards, as appropriate.
8	To, at all times, maintain high expectations of learners' work, commitment, and behaviour, acting to ensure the highest of standards are met for all students.
9	To evaluate continuously and improve the quality of learning and teaching within your sessions utilising and engaging with the college's staff development, observation programmes and performance reviews.
10	To complete all associated administrative paperwork and duties accurately and timely, including to meet quality, funding and audit standards.

11	To contribute to the development of curricula and specialist facilities within the area in particular relating to assistive technology.
12	To actively promote the College's programmes, attend open evenings, parents' evenings, careers events, school visits and similar marketing and publicity activities.
13	To develop, maintain and extend links with external organisations as appropriate.
14	To develop and update personal professional expertise in the relevant areas.
15	Adhere to and promote the College's Safeguarding, Diversity, Equity & Inclusion, College Values and Health and Safety policies and practices.
16	To undertake any other associated duties determined by the college.

This job description is current as the date shown. It may be amended in any way following consultation with the post holder to take account of changes or anticipated changes in the organisation or management of Colchester Institute
