Dear Colleague.

Thank you for your interest in the position of Assistant Principal at The Beaulieu Park School. As Essex's only 'all through' school, our school is truly unique. Following a £34 million build, we are delighted to have an environment in which to deliver a truly all through and outstanding education for our students. As Assistant Principal, your role will be pivotal in the development of a school that has the highest standards and aspirations for all students, regardless of their background or ability.

This appointment is critical to the future success of the school. The successful candidate will work and have responsibility throughout the full age range of the school (4 to eventually 18) and in close collaboration with myself, the Head of Primary School, Vice Principal, staff, parents, governors and trustees, to realise the outstanding potential that exists when a school is created from the ground up. Your experiences at The Beaulieu Park School will develop your leadership skills and give you an excellent experience to prepare you for the next rung of senior leadership.

The Beaulieu Park School opened the doors to 60 Reception children in September 2018. In September 2019, another cohort were welcomed into the Primary School, together with 180 Year 7 students. We were pleased again this year that we were heavily oversubscribed with families nominating us as their first choice school in all new year groups. Now with 540 students, our school will grow one year at a time until it is full in 2024. We are already planning our 6th form provision. As the Assistant Principal (Standards) with responsibility for teaching, learning, progress and assessment, you will play a central role in the continued development of our very special school. Your energy, ambition, drive and imagination will be pivotal to our success. Crucial to this will also be your exceptionally high standards, and belief in the tremendous potential of each and every one of our students.

To read more about the vision for our school please visit the school website. If you feel you have the skills and attributes for this position, I would welcome an application from you. I would also be pleased to arrange a telephone conversation or a social distant meeting prior to your application to answer any questions you may have.

The Beaulieu Park School is part of The Chelmsford Learning Partnership, a small multi-academy trust of seven schools, primary and secondary, each with their own unique identity. Our trust is a friendly and supportive one. As an employee within it, you will have the chance to learn from and share your expertise with other schools and professionals within the trust.

Yours faithfully,

James Donaldson

Principal.
