

The Billericay School
A specialist maths and computing school

Construction Department

Aims of the department

There is great demand for skilled, qualified and well trained construction workers and our aim is to prepare all our students for their future lives in this industry. We strive to present lively, stimulating and exciting lessons which not only develops our student's investigative skills and generate real interest, but also equip them with a knowledge and understanding of key Construction principles and practical experience.

The Construction department at The Billericay School is equipped with all the tools to enable basic brickwork builds. Currently we have 3 staff within the department.

We specialise in the delivery of brickwork and offer 2 courses.

- **BTEC Level 2** - Construction and the Built Environment
- **City and Guilds Level 1** - Award in Construction Skills
