

Montgomery Junior School

Open your mind ▶ choose your future

August 2020

Dear Applicant

Thank you for taking an interest in a teaching position at Montgomery Junior School.

I am proud to lead such a dedicated and hardworking staff team. The children are polite and friendly, and are eager to learn and enjoy their time in school. Outcomes are currently broadly in-line with those achieved nationally. The last Ofsted inspection (November 2019) resulted in a **good** judgement which reflects all the excellent work we do.

The teachers, HLTAs and teaching assistants work together as a strong team, supported capably by the school's support staff. We constantly strive to improve our practice with the aim of providing the highest quality of education possible to the children in our care.

Staff are well supported and we take work-life balance seriously. Opportunities for continued professional development are readily available. Additionally, we are part of a fifteen school consortium and work in close partnership with three other local primary schools as part of a quad.

Our school lies within close proximity of Colchester Garrison and, as a result, 48% of our pupils currently are from service families. The remainder are from a broad cross-section of the community, which results in a diverse, vibrant and happy school.

Unfortunately, due to the ongoing coronavirus pandemic we are unable to offer visits to the school at this time. We may also have to hold interviews remotely by Zoom.

I am pleased that you are considering working with us and if you have any questions please do not hesitate to contact us.

Yours faithfully

Michelle A. Wright
