INFORMATION ABOUT REACH ESSEX

REACH is an Essex and Suffolk approved alternative education provision in which we offer bespoke services to children across Essex and Suffolk. Our work is supporting children and families to engage in our services to promote positive outcomes utilising a broad range of skills and therapeutic approaches.

Our mission is to invest in people, both our employees and our pupils. As professionals in the helping profession, we believe and aspire to offer a better future to those children, young people and families we work with. Success for us means unleashing the potential of each individual we engage with so they can grow and develop each day to be better versions of themselves. Our values are grounded in our determination to be the change we want to see in the world, through passion, commitment and integrity. We want to plant a seed of kindness and compassion in a generation that will produce resilience and hope to enable them to fulfil their own destinies.

Our success is measured by the lives we change through REACH
