About the School

The Billericay School is a heavily oversubscribed comprehensive in Essex with a specialism in Mathematics and Computing. The school has polite and engaged students who want to learn and benefits from good parental support.

With direct links to the 'Outstanding' Billericay Educational Consortium, The Billericay School is renowned for the high standards of CPD it delivers as well as the collaborative and supportive ethos it promotes amongst staff.

Our Governing body is committed to safeguarding and promoting the welfare of all children and young people and expects all staff and volunteers to share in this commitment. The post is subject to satisfactory medical checks, enhanced DBS clearance and references.

When applying for this position, please use The Billericay School application form, which can be found on our school website under Vacancies. Potential candidates are encouraged to get in touch with any questions they might have or to arrange a visit to the school.

Details

Construction is offered for students in Years 9, 10 & 11 to select as one of their option choices. Students have the opportunity to complete the following courses in City & Guild Level 1 Award in Construction Skills and BTEC Level 2 First Award in Construction & the Built Environment.

In order to support the class teacher, we seek to recruit an enthusiastic Construction Technician to join our Science & Construction Technologies Faculty.

The purpose of the post, is to support the teacher in delivering the practical aspects of our Construction courses; preparation of mortar prior to lesson and cleaning-down after lesson. Experience is preferred.

THE BILLERICAY SCHOOL A MATHS AND COMPUTING COLLEGE JOB DESCRIPTION

Principal Responsibilities

- To prepare the resources required for the delivery of the practical lessons:
 - Prepare mortar prior to the lesson
 - Layout bricks and tools prior to the lesson
 - Offer practical support to students during lesson
 - Clean tools, cement mixer and classroom after lesson
- To provide support during practical examinations in line with the duties set out above.

Notes:

The above responsibilities are subject to the general duties and responsibilities contained in the statement of Conditions of Employment.

This job description allocates duties and responsibilities but does not direct the particular amount of time to be spent on carrying them out and no part of it may be so construed. In allocating time to the performance of duties and responsibilities, the post-holder must use Directed Time in accordance with the school's published Time Policy.

This job description is not necessarily a comprehensive definition of the post. It will be reviewed at least once each year and it may be subject to modification or amendment at any time after consultation with the holder of the post.
