Testimonials

Working at King John for the past six years has provided me with a wide range of fantastic opportunities and wonderful experiences. I was encouraged to attend a middle leaders training programme provided by the trust which gave me the knowledge and confidence to be successful in a promotion to Director of English and media. I was also lucky enough to attend the media department trip to Hollywood with a group of KS4 students and was encouraged to organise my own trip to The Globe theatre for KS3 students.

- Director of Learning, The King John School

Working at the King John School is a privilege. Given the school's reputation I am very proud to be a part of the organisation and enjoy coming to work each day. As a school, King John promotes progression with leaders giving staff their full trust and support in professional development. During my time at King John I have been able to grow and flourish by being exposed to work across the school, within our trust schools also as part of the Benfleet Teaching Schools Alliance. Working at the King John School has certainly progressed my career.

- CPC Director, The King John School

Having worked within Zenith for a number of years I have been afforded so many opportunities to develop. I came to the school as a Head of year and after discussing my drive to be on the leadership team I was given extra responsibilities to ensure the progression was effective and that I was ready to interview for a role. With this in mind I was asked to lead on several faculties and drove the Equality and Diversity within my school. This then led to me being asked to join a school within the MAT to take on the role of associate assistant headteacher. I have now secured a permanent position in this school and couldn't have done it without the opportunities given to me by the Trust.

- Assistant Headteacher, The James Hornsby School

I started working at James Hornsby in January 2012 and began working here as a learning facilitator; almost eight years on and I am now currently the head of mathematics. In this time I have had the opportunity to complete many roles within the school. Working in the behaviour support unit, as an achievement officer and then as a maths instructor, while I was completing my maths degree at university. The leaders within the school identified my skill set and provided me with the support and guidance to move through these positions.
