About Us

Southchurch High School is a popular 11-16-year mixed comprehensive academy having converted in 2018. Our fundamental beliefs about education are summarised in our mission statement of **'A community of opportunity, learning and aspiration'**. The school already houses a flourishing community of over 800 students, and is expected to continue growing strongly over the next few years. We have waiting lists for entry into years 7 and 8 and fully expect to be in the same position with our next intake in September 2022.

The moral, spiritual, social and cultural development of all learners permeates throughout the curriculum. We aim to maintain a just and caring school community in which all learners, teachers and members of the associate staff are given personal recognition and a sense of security, respect and dignity. We believe that it is only in such an environment that learners can recognise and appreciate achievement in its various forms including high academic standards and good examination results.

Great emphasis is placed upon the need for learners to develop self-discipline and respect for others. The wearing of school uniform is insisted upon. High levels of attendance and punctuality are viewed as vitally important. Good manners and courtesy to others are expected from everybody. Good order and the importance of personal relationships are insisted upon throughout the school to allow genuine learning, academic and personal development to take place.

In general, the school aims to create an ethos that supports a sense of co-operation, pride, identity and purpose in all students, members of staff and parents. The raising of standards is a key theme throughout Southchurch High School. Our students deserve the best.

At Southchurch High School, every effort is made to stress the positive and celebrate achievement to boost the self-esteem, confidence and dignity of the students. An array of out of class activities give learners the opportunity for self-expression and the enjoyment and satisfaction which comes from achievement. Motivation is enhanced through the relationships that are strengthened by engaging with staff in different situations.

Will you join us in reaching our aspirations?

If you share our values, have an entrepreneurial spirit, and are excited by the prospect of making a real contribution to a new and growing school, we want to hear from you.
