Spring 2021

Teacher Appointment for September 2021

Dear Applicant,

Welcome to St George's School.

I am writing to thank you for your interest in the post of 'Teacher' at St. George's School.

We are seeking a teacher to take up a permanent position from September 2021 in our newly expanded and thriving school. Within this pack we have included background information about the person we are looking for, the post itself, and about the school.

I have had the pleasure of leading St George's School for the last 15 years, and am delighted to be leading an ambitious school which, with a capacity of 630 students and our own nursery, is one of the largest primary settings in Colchester. We were last formally rated 'good' by Ofsted in the 2017-2018 academic year, and are particularly proud of the measures we put in place to support the wellbeing of children. We are keen to make a permanent appointment to strengthen our team further and help in our desire to provide the best possible experience for our young people.

The successful applicant will be an excellent role model who is able to demonstrate highly effective practice in teaching and learning, with a proven record of supporting the needs of all children in order to enhance their life chances. We will support the successful applicant to ensure all necessary professional development is provided to the highest quality possible.

Set in two separate buildings, the school has good facilities, a strong team philosophy, and an ambition to help every child to be the best they can be.

I believe that this is an exciting opportunity for a successful teacher who wishes to further their skills. I look forward to receiving your completed application, and invite you to contact me if you would like to discuss any aspect further, using the email address below. Applications close on April 16th at noon, and interview will be held the week after.

Yours sincerely,

Carl Messer (Headteacher)

team@stgeorgesschool.org

St. George's School is committed to safeguarding and promoting the welfare of children and expects all persons at the school to actively share this commitment. All appointments will be subject to an enhanced CRB clearance, employment checks and satisfactory references.
