

Dear new headteacher, this is what we think is important for you to be our new headteacher.

From the children at John Ray Infants School.

(These are genuine quotes from all three of the year groups, taken last week)

Help us learn!

Always say good morning

Do lots of running in your PE kit!

Pretend to be a fairy in the woods reading 'Foggy, Foggy Forest'

Be on the gate in the morning to say 'Good morning' and make sure everyone gets in safely, then shut the gate.

Come to see us in our classrooms and sometimes teach us

Make sure you work across the whole school and see and talk to lots of children

Keep us safe like with fire drills

Decide who works at our school

Dress up

Always smile and say hello

Come to see us at lunchtime and see if we don't use a knife and fork properly!

Watch us learn

Give out trophies for good work or sport

Help out in Breakfast club

Be very clever and caring

Be helpful, like deliver packs when we are working at home

Be happy and always smiling

Be fit and healthy!

Set us extra homework that is really interesting

Look at children's work that is really good

Be always kind to everyone

Buy things we need with the government's money and get the right things so we don't run out

Be strict if people aren't doing the right thing

Encourage us

Always be impressed with children's best effort, even if they can't do very much yet

Tell teachers what they need to do and look after the teachers

Talk to parents and help them

Do good assemblies - Fridays are the best because we get Golden Book certificates
