

Dunmow St Mary's Primary School's Equality Statement

The Governing Board is committed to:

- Promoting equality of opportunity and community cohesion where the diversity of different backgrounds and circumstances is appreciated and positively valued.
- Promoting the fundamental British values of democracy, the rule of law, individual liberty and mutual respect and tolerance for those with different faiths and beliefs.

We expect all staff, volunteers and other workers to share this commitment. It is recognised that this can only be achieved through sound procedures, good inter-agency co-operation and the recruitment and retention of competent, motivated employees who are suited to, and fulfilled in the roles they undertake.

The Governing Board recognises the value of, and seeks to achieve a diverse workforce which includes people from different backgrounds, with different skills and abilities. We are committed to ensuring that recruitment and selection is conducted in a manner that is systematic, efficient, and effective and which promotes equality of opportunity. Selection will be on the basis of merit and ability, assessed against the qualifications, skills and competencies required to do the job. We will uphold obligations under law and national collective agreements to not discriminate against applicants for employment on the grounds of age, sex, sexual orientation, marital status, disability, race, colour, nationality, ethnic origin, religion or belief.

An equality statement will be provided to all applicants for jobs. The school may, where appropriate, apply positive action to encourage applications from particular groups where they are underrepresented in the workplace. In exceptional legitimate circumstances the school may apply a genuine occupational qualification to particular role.

The school:

- Will take positive steps to create a culture through its governing board, managers and other employees, workers and volunteers, in which everyone can feel confident of being treated with fairness, dignity and respect.
- Aims to create a work environment in which all individuals are able to give their best; where all decisions are based on merit and which is free of harassment, victimisation and bullying.
- Will provide appropriate training and support to employees to secure understanding of, and compliance with, its aim and expectations.
- Will ensure that equality issues are considered and regularly reviewed, including assessing implications for people with particular protected characteristics as an integral part of our policy development and decision making processes.

Behaviour or actions by members of staff against the spirit and/or the letter of the law or this policy, including but not limited to acts of discrimination, bullying or victimisation against employees or others in the school community will be considered disciplinary matters and will be dealt with under the school's Discipline and Dismissal Procedure and may, in some cases, lead to dismissal.
