## Testimonials

Since joining JHS in January 2019, my personal development has been supported and encouraged. I have benefitted from both formal CPD and shadowing excellent teachers. I have found that within the staff team people are very generous with their time and advice. Everyone is really friendly and welcoming - I genuinely feel like a valued member of the team here.

- Teacher of Humanities, The James Hornsby School (progressed from support staff to unqualified teacher, currently undertaking teaching qualification)

I began my teacher training at James Hornsby in 2019. I feel I have been fully supported on my journey to becoming a qualified teacher with excellent training opportunities. I have had the pleasure to witness fantastic teaching which helped me to become the teacher I am today. Staff are always on hand to lend guidance so you always feel supported. I feel this school is where I want to continue to progress in my career; this is deeply encouraged by senior leaders so you feel you can grow. There is a true family ethos here at James Hornsby where staff and students feel safe and in a happy environment. I look forward to coming to work due to the wonderful friends I have made with staff and because of the students welcoming and friendly nature which is embedded into the school.

- Teacher of Drama, The James Hornsby School

Having worked within Zenith for a number of years I have been afforded so many opportunities to develop. I came to the school as a Head of year and after discussing my drive to be on the leadership team I was given extra responsibilities to ensure the progression was effective and that I was ready to interview for a role. With this in mind I was asked to lead on several faculties and drove the Equality and Diversity within my school. This then led to me being asked to join a school within the MAT to take on the role of associate assistant headteacher. I have now secured a permanent position in this school and couldn't have done it without the opportunities given to me by the Trust.

- Assistant Headteacher, The James Hornsby School

I started working at James Hornsby in January 2012 and began working here as a learning facilitator; almost eight years on and I am now currently the head of mathematics. In this time I have had the opportunity to complete many roles within the school. Working in the behaviour support unit, as an achievement officer and then as a maths instructor, while I was completing my maths degree at university. The leaders within the school identified my skill set and provided me with the support and guidance to move through these positions.
