Details

We seek a committed and enthusiastic teacher of Maths to join an excellently resourced Mathematics department at this successful and oversubscribed comprehensive school. The mathematics department has a strong ethos of collaborative working and has a track record of consistent success in all key stages. We are currently looking to recruit a new member to our high-achieving, successful and supportive team with the opportunity to teach A Level Maths/Further Maths as appropriate.

Principal Responsibilities

- To teach Mathematics across all key stages and ability ranges in line with departmental schemes of work and policies.
- To participate in the development of appropriate syllabuses, materials and schemes of work
- To be accountable for student progress by liaising with teaching and support staff to monitor and support individual children and teaching groups.

Additional Specific Responsibilities

- To be Form Tutor of an assigned form and to carry out related duties in accordance with the general job description of a Form Tutor.

General Duties

- To carry out a share of supervisory duties in accordance with published rosters.
- To participate in appropriate meetings with colleagues and parents relative to the above duties.

The duties above are neither exclusive nor exhaustive and the postholder may be required by the Headteacher to carry out appropriate duties within the context of the job, skills and grade.
