NB In consultation with you this job description is liable to variation by College Managers to reflect or anticipate changes in the College's requirements.

PERSON SPECIFICATION

JOB TITLE: Lecturer in Construction / Civil Engineering

DEPARTMENT: Construction

Information for candidates:

The person specification provides an outline of the experience, skills and abilities we expect the successful candidate to possess. You should match your own skills, experience, and abilities to those listed below. Tell us in what way you have carried out the criteria asked for; a sentence or two of explanation will help us to assess your application.

Applications from people with disabilities will be assessed based on the specification criteria to carry out the duties of the post.

The team is a dynamic and highly motivated department; you will be delivering units that vary from level 3, 4 &5 in construction and some technology units at level 3,4&5 in civils. Units will be technology and management based with some quantity/building surveying modules.

We are a forward thinking department that is constantly striving for new and dynamic ways to deliver the curriculum with many links to major employers. Our success data has been excellent at all levels in the curriculum area. We have excellent employer links and see our department as a forward leader in developing learners for employment.
