Dear Prospective Candidate,

Thank you for expressing an interest in applying for the post of Headteacher at Tany's Dell Primary School and Nursery. I hope that the enclosed information pack is useful and gives you a feel for our lovely school, and also of our expectations of the successor to our current, effective and highly valued Headteacher, who will be retiring on December 31<sup>st</sup>.

She has also steered the development of Templefields Multi-Academy Trust as CEO, and all three schools were judged good in Ofsted inspections this spring. The CEO role will pass to one of the two other headteachers already in post, and is not part of this appointment, at the present time.

We are conscious that our pupils have one chance to benefit from their years at primary school, and that it is the job of parents, staff and governors, working together, to ensure that their time with us is used to maximum effect for their future wellbeing.

Our school team of staff and pupils is therefore ready to be driven to even more success by a new leader who will acknowledge their strengths and encourage them to achieve even greater heights.

If you have not already done so, please make an appointment to come and see the school at work, where a member of the senior team will be pleased to show you around and answer any questions you may have.

I very much hope you will decide to apply for the post.

In true reference style, I have no reservations in recommending this school to you.

Kind regards,
