Kind 🏰 Supportive 🏰 Aspirational 🏰 Inclusive 🏰 Proud

Dear Applicant,

Thank you for your interest in the role of Teacher of Maths - Key Stage Coordinator at The King Edmund School.

KES is a large, mixed comprehensive school serving a geographically and socially diverse area in South-East Essex. Many of our students travel by bus to school from outlying areas; we also take a significant minority of students from the unitary authority of Southend.

We are a school with a strong community feel. We are guided by our values and we believe these help foster a culture where everyone is encouraged and supported to achieve their Personal Best. Our students and staff treat each other with kindness and mutual respect and we celebrate diversity whilst promoting a culture of inclusivity, where every student feels seen, heard, and valued for who they are. We believe that a diverse community enriches the learning experience for everyone and prepares our students for success in a global society.

We want every student to have high aspirations; we inspire our students to dream big and strive for excellence in all areas of their lives. We are relentless in our drive to support students to achieve well academically. We regularly have students gaining places at Oxford, Cambridge or other Russell Group universities. However, our deeper passion is that all students, regardless of their ability, reach their potential. Our students leave KES ready to embrace the next chapter of their young lives, whether that be studying a degree at university when they leave our Sixth Form, or starting an apprenticeship when they leave at the end of Year 11.

We are traditional in our approach to uniform, behaviour and work, but always seek to be very supportive of students and to engage parents in these aspects of school life. Working together with parents and carers, we provide students with the right guidance, support and challenge to succeed both personally and academically.

We are proud of our students' achievements, inside and outside of school, and we encourage them to be proud of themselves and each other.

Our recent Ofsted report rates the school as 'GOOD', and reflects the quality of the school, despite the challenges we have had to face over the past few years. We have been very successful in meeting the needs of students over that period of time, however, our outcomes were affected by school closures.

In early 2025, a new two storey school building will open, featuring a new school hall, dining room, activity studio, staff offices and technology and art rooms which will make us one of the most sustainable and eco-friendly schools in the country.

The successful candidate will have opportunities to develop further and will be able to expand their skill-set for the future. As well as offering excellent development opportunities, the school offers staff benefits which include free car parking, use of the onsite gymnasium and swimming pool, as well as staff recognition schemes.

It is hard to give an accurate picture of a school in words, but I hope you are getting the sense that KES is a friendly school where we work hard to ensure students feel that they belong so that they can both enjoy and achieve.

I look forward to receiving your application.

Yours sincerely,

Jonathan Osborn
Headteacher

The Role

Teacher of Maths - Key Stage Coordinator

Salary Range: Main/Upper Pay Ranges plus TLR 2b

Permanent post

Required for start in September 2024 or sooner

We are seeking to appoint a Teacher of Maths - Key Stage Coordinator to implement and deliver a knowledge rich curriculum and support the overall progress and development of our students. You will facilitate and encourage an engaging learning experience which provides students the opportunity to achieve their full potential.

The successful applicant will demonstrate the ability to accept new ideas and a thorough commitment to student learning with evidence of high degree of subject specialism and professional development, as well as a flexible and adaptable attitude to meet the needs of the school. We want to recruit staff with the vision and determination to ensure all our students receive a first class education, and who will rise to the challenge of building on success.

Maths Faculty

The Maths faculty is a stimulating environment to work in. There is a team of 13 dedicated professionals who strive to instil confidence and enthusiasm into their students every lesson. The team is led by the Assistant Head, Gemma Kentish and Head of Faculty, Iain Williams.

We are looking to appoint a keen subject specialist to work with the Head of Faculty to lead our drive to raise attainment and achievement. We are looking for a colleague to contribute to leading the success of the department, being passionate about giving our students the best classroom experiences to enhance their learning; who has the ability to maintain and develop our high standards and to provide support, stretch, and challenge for all our learners, as well as support and leadership for staff. This post is suitable for a practitioner who is keen to enhance their experience by leading a key stage in an innovative department. The Key Stage is negotiable dependent on interests and experience.

KES is a school with strong leadership and management and one with a strong supportive staff community. The school day lends itself to a good work/life balance with the teaching day ending at 14:10. The school offers an extensive support programme, including mentor/buddy system, Initial Teacher Training support for Early Career Teachers (ECTs) or for those seeking Qualified Teacher Status (QTS / QTLS), a system of twilight training sessions, as well as excellent development opportunities. Staff benefits include free car parking, onsite gymnasium and swimming pool as well as staff recognition schemes.

If you are currently considering a career move, we would very much like to hear from you. Please visit the vacancies section of our website (<https://kes.essex.sch.uk/join-our-community/staff-vacancies>) and complete the 'Quick Apply' application form and submit a copy of your CV. We also welcome and encourage telephone calls on 01702 560906 to register an interest or to find out more about the school and the role. If you wish to find out more about the school prior to interview, we would be delighted to welcome you to KES prior to the closing date, to offer you a tour and an opportunity to get a real sense of the school first hand. To arrange a visit, please email your request to adminoffice@kes.essex.sch.uk and provide your availability, as well as a contact telephone number. As we approach Easter Half-term, if you have any questions regarding the role please email andreaatkins@kes.essex.sch.uk for additional information if required.

Early applications are welcome - Closing Date for applications is 09:00 on Friday 3 May 2024. Interviews will take place shortly following the closing date

The King Edmund School is committed to safeguarding and promoting the welfare of children and expects all staff to share this commitment and undergo an enhanced DBS check as part of our Safer Recruitment & Selection Procedures.
