Child Protection Policy Statement

At Woodlands Schools, the health, safety and well-being of all the children are of paramount importance to all the adults who work in the school. The children have the right to protection, regardless of age, gender, race, culture or disability. They have a right to be safe in the school.

Woodlands Schools are committed to ensuring that all staff who are in contact with children are trained to the appropriate Child Protection level. During the induction process, all new staff members are provided with a copy of the Child Protection Policy and the named Designated Safeguarding Lead (DSL) will ensure that they understand the schools procedures.

"Woodlands Schools are committed to safeguarding and promoting the welfare of children and applicants must be willing to undergo child protection screening appropriate to the post, including checks with past employers and the Disclosure and Barring Service".
