2 year fixed term contract to start**

Salary dependant on experience and qualifications

*Payment of £500 after a successful 6 month probationary period and a further payment of £500 after a successful 12 month appraisal.

Due to the expansion of our provision across two sites including a post 16 provision, the Southend YMCA community school is seeking to add capacity and appoint a Multi-Subject teacher from February 2025.

We welcome applicants from instructors, unqualified teachers, future or current trainee teachers or experienced teachers to join our ever growing team.

The school has a positive ethos and culture where our students have the opportunity to experience success and be the best version of themselves. An ideal candidate will have a commitment to Trauma informed practice and understand the power of learning and education for our students. Staff are committed to supporting our young people to achieve great things and ensure they 'come with a past, but leave with a future'.

Experience in teaching subjects at GCSE level are an advantage but are not essential.

If you would like a tour of the school please contact Amanda Barling on 01702 212541 or e-mail Amandabarling@ymca.southend.sch.uk
