HEARTS Values

HEARTS Academy Trust is committed to providing a happy, caring and safe learning environment for all within a values led context, where everyone feels valued and grows in confidence and independence.

We promote **HAPPINESS** through a creative, exciting and practical curriculum, which generates a love of, and interest in, learning and a resilience and hope which supports us through challenging times.

Great value is placed on pupils' self **ESTEEM** which is developed through a positive and motivated attitude to learning, a healthy lifestyle, good social skills, self-discipline and a positive self-image.

We promote the highest standards of **ACHIEVEMENT** in all areas of the curriculum and help all pupils to fulfil their potential regardless of gender, race or ability.

We foster **RESPECT and RESPONSIBILITY** for all by establishing good relations between the school, home and community. Pupils are taught respect for themselves, others and the environment. They are also taught to take full responsibility for their own choices and responsibility for themselves and their community.

We encourage **TRUTH** and honesty in all aspects of school life – relationships, work and the curriculum and learn to trust and accept others' individuality and uniqueness.

We develop **SPIRITUALITY and SERVICE** so that calm, quiet, reflective times which support deep thought are part of school life and beauty is appreciated. We promote a service culture that reflects our duty to support and show compassion to all members of the community and not just ourselves.

HEARTS Vision

The trust places pupils at the centre of everything it does, with a focus on creating a culture of success. Our values of **HAPPINESS**, hope, self-esteem, achievement, **RESPECT and RESPONSIBILITY**, reflection and **SERVICE** to others are the cornerstone of all of our work.

We create positive climates for learning and increase pupil attainment and achievement. We place strong emphasis on pupils' social and emotional health, including providing alternative provision for pupils who need this and 2 and 3-year-old nursery settings so that pupils can access school as soon as they are ready. We encourage **TRUTH** and honesty in all aspects of school life.

The trust has developed an ethos in which decisions are made on the values set out above and our commitment to the service of our pupils and their families. Pupils are at the heart of all that we do. It is an absolute priority that every student, irrespective of their starting point, succeeds and achieves. In order to do this, a high quality educational experience will be an entitlement for every student, with students, staff, parents/carers, and the wider community working together to achieve these goals for young people.

Leadership development, succession planning, and capacity building are also major priorities for the trust and the trust has a CPD entitlement programme for all staff. The trust also prioritises staff workload, has a workload charter and is currently consulting on substantial changes to the teaching week so that workload can be reduced further.

Safeguarding Children and Young People

The trust is committed to safeguarding and promoting the welfare of all of its pupils. Each pupil's welfare is of paramount importance. We recognise that some children *may* be especially vulnerable to abuse e.g., those with special educational needs and those living in adverse circumstances. We recognise that children who are abused or neglected may find it difficult to develop a sense of self-worth and to view the world in a positive way.

The trust's Child Safeguarding policy applies to all adults, including volunteers, third-party workers, contractors and visitors, working in or on behalf of the trust.

Everyone in the education service shares an objective to help keep children and young people safe by contributing to:

- Providing a safe environment for children and young people to learn in education settings
- Identifying children and young people who are suffering or likely to suffer significant harm, and taking appropriate action with the aim of making sure they are kept safe both at home and in the education setting

We ensure that all appropriate measures are applied in relation to everyone who works for the trust who is likely to be perceived by the children as a safe and trustworthy adult including volunteers, third-party workers, contractors and staff. Safer recruitment practice includes scrutinising applications, verifying identity and academic or vocational qualifications, obtaining professional and character references, reviewing online presence, checking previous employment history and ensuring that a candidate has the health and physical capacity for the job. It also includes undertaking interviews and enhanced DBS checks to include barred list checks.

We expect all staff to share this commitment and to undergo appropriate checks, including online searches and an enhanced DBS check.

- Candidates should be aware that all staff at HEARTS Academy Trust are responsible for safeguarding children and young people, although the extent of that responsibility will vary depending on the nature of the post. Please see the job description enclosed in this application pack for further details
- Accordingly, this post is exempt from the Rehabilitation of Offenders Act 1974 and therefore all convictions, cautions and bind-overs, including those regarded as "spent" must be declared
- If you are currently working with children, on either a paid or voluntary basis, your current employer will be asked about disciplinary offences, including those related to children or young people (whether a disciplinary sanction is current or time-expired), and whether you have been the subject of any child protection allegations or concerns and if so, the outcome of any investigation or disciplinary proceedings. If you are not currently working with children, but have done in the past, that previous employer will be asked about these issues
- Where neither your current or previous employment has involved working with children, your current employer will be asked about your suitability to work with children, although it may where appropriate, be answered not applicable if your duties have not brought you into contact with children or young people.
