

“**Aspiring** to be the **best** we can be, in all that we do”

THE BROMFORDS SCHOOL
ACHIEVE ENRICH PREPARE

Welcome to The Bromfords School

At The Bromfords School, the education and well-being of our students is the fundamental focus of each and every day. We are very proud of our students and work hard to ensure we create a warm, inclusive atmosphere where they are comfortable making mistakes, where they try their best and where we ensure they learn how to behave in school and in society.

We believe that every child can succeed in life. A strong and tailored academic curriculum supported by our dedicated pastoral team and a wealth of extra-curricular opportunities helps our students develop as individuals with the necessary skills to reach their potential.

We have high expectations of all members of our school community, with aspirations for everyone to be the best they can be, in all that they do. Visitors to the school regularly comment on the calm and welcoming environment; we very much look forward to welcoming your child to our school and becoming one of our many successes of the future.

Jochen Tree
Headteacher

Our Core Values

Achieve

We believe that all our young people have the potential to achieve in school and succeed in life. Whatever their starting point no young person will be left behind.

Enrich

Throughout their time in school, we will nurture the talents and interests of our students and aim to provide them with an abundance of invaluable life experiences.

Prepare

We aim to develop the skills and attributes that are key in empowering our students to be successful, well-rounded and thoughtful individuals, preparing them for their next steps in a rapidly changing world.

“Excellent teaching staff who always **motivate** my child.
Well conducted students,
even after the school hours.”

Parent Survey, March 2022

Achieve

7

We believe that all our young people have the potential to achieve in school and succeed in life. Whatever their starting point no young person will be left behind.

We aim to provide our students with a high-quality learning environment which maximises student success. A variety of curriculum pathways allows us to challenge yet support students of different abilities so that everyone reaches their potential.

We provide a broad and balanced curriculum that allows students to sample new courses such as Business Studies, Health and Social Care and Photography in Year 9 before choosing their options.

Alongside this, students continue to study a wide range of subjects such as Values, Ethics and Beliefs and a course in Financial Literacy.

Ensuring the highest standards of literacy and communication for all students is a key priority. In Years 7 and 8 students have a discrete literacy lesson once a week.

Regular homework encourages students to develop the key life skills of independence and allows them to reflect on their learning.

Our curriculum is constantly reviewed to ensure it is well sequenced and builds on prior learning.

Our SEND Department and teaching staff endeavour to break down barriers to learning and support students' progress through early identification of need, support, intervention, and teaching strategies

“With regards to my child, all teaching staff **understand** him and his **needs** and because of this he **excels** and feels **confident** enough to speak up when he needs help.”

Parent Survey, March 2022

Enrich

Throughout their time in school, we will nurture the talents and interests of our students and aim to provide them with an abundance of invaluable life experiences. Students have a breadth of experience beyond the classroom, including field trips and educational visits.

The school offers an abundance of opportunities to develop leadership skills and to allow students to be involved in, and have an impact on, the school's environment, as well as developing skills they need for success in and outside of the classroom.

Duke of Edinburgh – Prefects – Student Voice
– Jack Petchey – Anti-Bullying Ambassadors

– Student Presidents – Prince's Trust – Equality, Diversity and Inclusion Ambassadors are just some of the many opportunities on offer to students.

We understand the value of pastoral care and the impact it can have for every individual young person in our community. Each year group has a dedicated pastoral team that support the year group on their journey through The Bromfords School.

Positive and supportive relationships in our school community are the cornerstone of success and we have high expectations of behaviour and courtesy at all times.

Our high expectations provide us with the opportunities to celebrate and recognise the diverse and exceptional talents and achievements of the young people in our care.

“ Bromfords **rewards** the children when they do well and contacts parents... this gives the children a **boost** and it's nice they are **acknowledged**.”

Parent Survey, March 2022

Prepare

We aim to develop the skills and attributes that are key in empowering our students to be successful, well-rounded and thoughtful individuals, preparing them for their next steps in a rapidly changing world.

We have an excellent Year 6 transition programme ensuring a smooth switch from primary to secondary school.

Our Careers, Education, Information, Advice and Guidance (CEIAG) programme provides exceptional support to students, parents and carers from Year 7 all the way through to Year 13 and opportunities post-18.

This high quality CEIAG provision is supplemented further by our outstanding personal, social, health, and citizenship education. This helps our young people prepare for adult life.

Our Student Voice teams provide an opportunity for our young people to play a vital role in shaping both the current and future experiences of The Bromfords School for our students.

Our post-16 transition programme supports our students with their next steps. Our aim is for our Year 11 students to continue their learning journey in our Sixth Form, where the school's ethos of high expectations and individual care continues. We offer a wide range of courses and students achieve excellent outcomes. We are always delighted to hear from Year 11 students approaching our Sixth Form as external applicants.

“The teachers come across as being very **approachable** if the student needs **extra help**.”

Parent Survey, March 2022

What our students say about their school:

“I **love** being a Year 7 student at Bromfords – I just love **everything** about this school!”

“Since joining Bromfords School I have made **incredible academic** and **emotional growth** and I know anyone can do the same”

“Bromfords is an **amazing** school where you will make great friends and receive **engaging** and **interesting** lessons”

“Bromfords is a school that offers **endless possibilities**”
